

Hi there,

There is no other way to say it... We really appreciate you being our customer and it's truly our privilege to serve you. Our sole focus is on delighting you and your employees every day in any way we can. We know we can't be perfect, but we do work hard, from all areas in our company, to make sure you have the best possible experience with Nexonia. Pretty much nothing else matters to us.

If you have any interest in the updates outlined in this newsletter or you have any other inquiries, you can reach us any time at help@nexonia.com.

WHAT'S NEW ON THE WEB

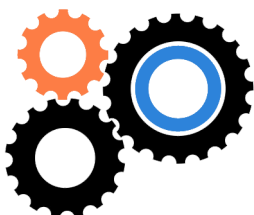

- **Accounts Payable:** We now have a full AP solution with vendor portal, attachments, invoice-to-email and advanced approval routing. [Book a demo](#) or [attend one of our webinars](#) to learn more!
- **VAT Tax Profile Defaults by Region:** If you need this, you'll like it!
- **Web Receipt Uploads 6 at a Time:** One of our competitors supports 3 receipt attachment uploads at a time on the web. We decided to double them, for six! :)

WHAT'S NEW ON MOBILE

- **Nexonia Timesheets New UI:** It's just a great interface. We're working on adding several timers to the mobile apps in the coming months.
- **New Expenses UI:** We're currently in testing for Android and it'll be out mid-April and then the iOS update will follow in late April/May.

INTEGRATIONS

- **Egencia:** Better multi-customer integration for handling of trips not initially mapped to a customer user.
- **Microsoft Dynamics GP:** Small refinements.
- **Intacct:** AP support!
- **NetSuite:** AP support!
- **Xero:** Small refinements.
- **QuickBooks:** Vendor bills from timesheets where the costs come from Nexonia's native costing settings.
